

Hot Lunch Update- December 2017

As we approach the end of 2017, we have one more lunch this Friday and then one more in January to finish off the first session. We will be sending out ordering info in early January for the second session.

As for our November hot lunch, we hear it was quite successful. We tried Little Caesar's personal pizzas for the first time and consensus was that it was quite tasty to our little connoisseurs! After our pizza cost (\$798.26), our yummy Sherwood Park Bakery donuts (\$229.50) and juice boxes (\$59), we are left with a profit of \$776.74 minus pay pal fees.

Any feedback and suggestions are always welcome! We will begin actively looking for some volunteers to take over Hot Lunch for the next school year.
