

April Hot Lunch Update

We had another successful hot lunch last month with 301 orders for Wild Wings, Little Caesar's and Subway. We collected \$2727 from families for this lunch. After paying out \$1271.93 to Wild Wing, \$375 to Little Caesar's for the crazy bread, \$240.98 to Subway for cookies and apple slices and then paying \$43 through Wye for the juice boxes, we profited \$796.09 (minus pay pal fees).

Food was delivered on time and no issues with it either! We are introducing Opa! for this month's lunch and hoping to have great success with them. Our last two lunches will be with Lunch Pail and that will be it for the school year! Happy to announce we have some wonderful parents that will be taking on Hot Lunch next year! Thank you to Sherri and her crew for stepping up and we look forward to their new ideas!
