

Hot Lunch May Update

April Hot Lunch brought us a new vendor, Opa!, and consensus was that it was well enjoyed! It was a change from the norm and was a nice treat.

They offered 5 different lunches and we had 274 orders with them. The always yummy donuts by Sherwood Park Bakery were there as well with 252 orders. They did surprise us with a price increase (\$8.50/dz to \$9.25/dz) so it did affect our profits slightly and will do so again for May's lunch.

We collected \$2201.50 and after paying \$1438.50 to Opa, \$212.75 to Sh Park Bakery and \$46 for juice boxes, we profited \$504.06. Last two lunches are with Lunch Pail –pyrogies this week and finishing with Hot Dogs in June.
