What is Conceptual Understanding

WEE Read:

We are in our final 8 weeks of our WEE Read program. We are looking for volunteers who can visit for 30 minutes—once each week—for eight consecutive weeks to read with children in Kindergarten and Grade One. During this time you will talk about books and play games that support literacy skills. If you're interested or know someone who might be interested in being part of this fun and meaningful opportunity please speak to Theresa Wells-Taylor in the Learning Commons or contact her at

theresa.wells-taylor@eips.ca

Heather Balog will be holding a volunteer training session on Monday, April 15 at Woodbridge Farms School (6:30-7:30).

Running Club:

There is a race coming up on May 2. If your child is in Grade 4, 5, or 6 and loves to run, especially outdoors, consider joining the running club. See Mr. King.

Enjoy a great week!!!
