Science Night:

We are excited to offer this exciting Family Night at Wye Elementary School. Come on May 15th from 6-8 p.m to learn all about science with our APEGA volunteers. An evening filled with fun, hand-on activities and demonstrations! These activities are related to engineering and geoscience to enhance science concepts being learned by students in ECS through grade 6, but are also a source of fun and interest for adults. Please RSVP to [Maureen Wert](#) in our school office.

Virtual Walk Through:

On May 22 from 6:30 - 8:00 we will be hosting a virtual walk through of the new Heritage Hills Elementary School. This event will take place in the Wye School gym. Please RSVP to [Maureen Wert](#) in our school office. This will help us in preparing for the presentation and how many chairs we will need to set up.

THANK YOU! Driver Appreciation Day is May 6

Join us on May 6 as we recognize and thank our school bus operators for keeping the safety of our students their first priority. We encourage you, and your children, to take a moment to say thanks to our bus operators—who go above and beyond to provide safe and timely transportation to our students.

On behalf of Wye Elementary, *THANK YOU* to all of our school bus operators for a job well done.

Little Elk Island Adventure: Registration

Elk Island Public Schools is once again running Little Elk Island Adventure, a fun and informative program for first-time school bus riders.

Annually, Student Transportation offers the Little Elk Island Adventure to new riders and their parents. The program's aim is to help ease any anxieties a family may have about riding the bus before even starting school. Through a series of activities, riders learn about: school bus safety, danger zones, tips on boarding and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned and then venture out on a short ride.

The Little Elk Island Adventure is for first-time school bus riders entering the 2019-20 school year. Sessions and times are available at these locations:

Student Transportation: 2019-20 registration is now open

Planning to use Student Transportation in the 2019-20 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the pre-enrolment process are now registered. Families registered will receive tentative route schedules and invoices by the end of the month—fees are due June 30, 2019.

For those students who didn't indicate needing transportation service through the pre-enrolment process and want to now register, simply contact EIPS Student Transportation at 780-417-8151 or email st@eips.ca.

For more information about EIPS Student Transportation visit

www.eips.ca/transportation.

NOTE: Fees can be paid online using the [PowerSchool Parent Portal](#) or in-person at the Student Transportation office—683 Wye Rd., Sherwood Park. The office will remain open during the summer months operating during the same hours as the EIPS Central Services office.
