ABC Countdown

Believe it or not the 2018-2019 school year is coming to an end! Everyone has worked very hard during the past year and we are going to celebrate by counting down the last few days of school with some exciting events and spirit days. The WE ACT team has planned the ABC Countdown for this year. The countdown starts on May 23 and will run until the last day of school. Each school day will have a different activity depending on the the letter of the day. Please feel free to participate in as many of the days as you like, no obligation. If the day is related to food, the school will be providing the item. You can see the days using this [link](#).

Star Reading Assessment

EIPS students will take the Star Reading assessment between May 15 and June 13. If you have any questions regarding this assessment, please speak with your classroom teacher.

Enjoy a great week everyone!!!
