Heritage Hills Elementary (HHE):

Thank you to those of you who attended our HHE virtual walk through evening last Wednesday. It was an excellent presentation and some great questions were asked. If you have additional questions about the new Heritage Hills Elementary School please do not hesitate to ask. The construction is coming along very well. Pictures are posted daily on the [@wyeschool1](#) twitter account.

Running Club Registration for 2019/20

Please read carefully and complete the [registration](#) form if your child is interested in Running Club for 2019/20.

Rocks and Rings:

This week we have a very special presentation of [Rocks and Rings](#) coming to teach our students about curling on June 11 & 12. This opportunity came about from one of our own students - Colton Seward. He collected enough cans and bottles to pay for one full day at our school. To ensure all of our students have the opportunity to experience this opportunity we have scheduled two days. The Rocks and Rings program will take place during regular Physical Education classes.

Retirements & Planning For 2019 - 2020:

We would like to congratulate the following Wye School Staff who will be retiring at the end of this school year. Congratulations to Janet Manson, Del Harder and Paul Smith. We thank them for their contributions to Elk Island Public Schools and to Wye Elementary School. We wish them all the best in their future endeavors.

The Wye School budget was completed and submitted to EIPS on Friday, June 7th for approval. This is the first step in the budget process. We are currently in the process of staffing and creating class lists for the 2019 - 2020 school year.

Enjoy a great week!!

“Keep only those things that speak to your heart.

Then take the plunge and discard the rest”
