- Grade 2 Field Trip to Ukrainian Village (9:00 a.m.)
- Report Cards Published for Parents (4:00 p.m.)

Principal:

It is hard to believe we are in the last week of this school year. Our children have another year of education behind them. I would like to take this opportunity to thank all our parents and community for your support to Wye School. We have amazing students and in order to maximize student learning we all need to be engaged in our students education. Parents and community members not only work with our students but you support our school in so many other ways. You fundraise, volunteer, participate

on committees, read to students and are always there when we need you. I want to say a big thank you for your support and all you do for Wye Elementary School.

Library Books and Home Reading:

Please take a look around your home for Library Books and other books owned by Wye Elementary. If your child has a book overdue, it will be marked as lost as of June 25, 2019. The replacement cost will appear on your Parent Powerschool Portal.

Report Cards:

Report cards will be published online Thursday at 4:00 p.m. and visible in PowerSchool. Print copies are no longer sent home with students. If you are unable to access PowerSchool please contact Mrs. Wert in the office.

Staffing Update:

We would like to share an update with staffing. Please be aware this may change in the fall but this is currently our staffing update.
