Principal Update:

Hello everyone, it's hard to believe we are already into mid March this week. Thank you to our parents for spoiling us last week with personalized coffees and a wonderful staff lunch. By supervising at lunch, we all could enjoy lunch together, a wonderful gift of time. As a staff we don't normally have time for this during a school day. Thank you so much, it is greatly appreciated.

Remember we have a Parent Council Meeting on Wednesday, March 11 from 6:30 - 8:00. Everyone is welcome to attend.

Our new Heritage Hills Elementary is coming along on schedule. We are now in the process of ordering furniture and supplies.

Heritage Hills Elementary:

Every week EIPS posts a Heritage Hills Elementary Construction Update through the district website.

Thank You Wye School Families for the Staff Appreciation Lunch:

Thank you Wye School Families for your generous donation of food and time for Staff Appreciation. We are very fortunate to have such a caring and supportive community.

Basketball Team:

Congratulations to our Basketball team on an impressive showing at the EIPS Elementary Tournament at Lakeland Ridge Saturday. Thank you Mrs. Pavan and Mrs. Zunti for coaching.

EIPS Parent Survey:

Have your say! EIPS Parent Survey Opens March 9

Elk Island Public Schools (EIPS) wants to hear from you. Make sure to complete the 2020 Parent Survey—open from March 9-26.

Annually, EIPS conducts a parent survey to gauge its progress toward meeting the goals and priorities outlined in its Four-Year Education Plan. Families are asked a series of questions about their experiences with EIPS and the school their child attends, the overall performance of the Division, the quality of education being provided to students and areas for improvement. The survey feedback helps the Division develop new strategies to better serve students and the wider community.

VISIT WWW.EIPS.CA TO TAKE THE SURVEY

Survey opens March 9, 2020

Survey closes March 26, 2020

NOTE: The survey is anonymous and only takes a few minutes to complete. If you want to share the experience of more than one child attending an EIPS school, simply complete the survey again.

Wye School News Survey:

We have been doing Wye School News every Monday for a year now in order to improve home and school communication. Based on feedback we received last time on this survey, we were able to improve features. In order for us to continue to serve you more effectively we would like to have some feedback from you. Please take a minute to share your [thoughts](#).

School Fees Meeting and Field Trips:

Thank you to the Wye and Campbelltown families who were able to attend the fees meeting Wednesday, February 12. This provided some wonderful feedback as we prepare for the 2020-2021 school year. Teachers are now in the process of planning field trips for next school year. The agenda discussed the following topics:

- Noon Hour Supervision
- Field Trips and Associated Fees
- Extracurricular Activities
- Non-Curricular Travel (Ski Trip, Band Trips)
- Clubs - Do you want more or less clubs at the school?
- Non-curricular goods and services (Yearbook)
