Principal:

Hello students and parents. I hope you enjoyed a great spring break even though you were probably at home each day. Students, I hope you are still reading something everyday. When we are back at school I will be excited to learn about all the books you have enjoyed. The Wye School Staff are on Spring Break but we are all looking forward to April 6th when we will start our online learning with you. It will look much different than the way we have learned in the past but we will all continue to learn together. It will be exciting to learn with you in this new way. Looking forward to learning with you on Monday.

If you have any questions or concerns please call the school at (780) 467-7447 or send an email to General.WYE@eips.ca. This new way of learning will be new for all of us and we will certainly run into some unanticipated glitches with technology, communication and other areas that will come up. Please be patient and we will all get through this together.

Teachers will have their lessons for Monday, Tuesday and Wednesday in Google Classroom by noon on Monday, April 6, 2020. Their office hours will be from 9:30 - 11:00 am and 1:30 - 3:00 pm starting on Monday, April 6th. After a few days of instruction we will revisit these times and make changes as needed.

I hope you are all keeping well and are safe.

Student Records:

As learning and all communication moves forward through electronic means, it is essential that we have your correct contact information, i.e. phone numbers, email addresses, etc. Many of you have already submitted the *Correction and Verification Form* thru your Parent PowerSchool account, for which we are very grateful. Those who have not completed this form will receive an email later this week, requesting that they do so. Even if your information has no changes, by submitting the

form, it lets us know that you have confirmed the information on your child's file. This form remains open at all times on your account, for any and all changes made throughout the year.

Enjoy your first week of alternative learning!!!

"In order to create an engaging learning experience, the role of instructor is optional, but the role of learner is essential."

- Bernard Bull
